crafting Nature's Beauty WITH carved TILES

The carving effect adds a sense of illusion to a space by providing depth with the shiny creviceslike patterns. This effect is acquired by digitally printing on matt surfaces.

APPLICATION

made surfaces which are adorn your space and stable in any condition and also easy to applicable anywhere we can call that is a timeless beauty.

Residential

Commercial Building

Hotel, Restaurant & Cafe

Gymnasium

Hospital

Airport

School & College

Industry

Hall & Corridor

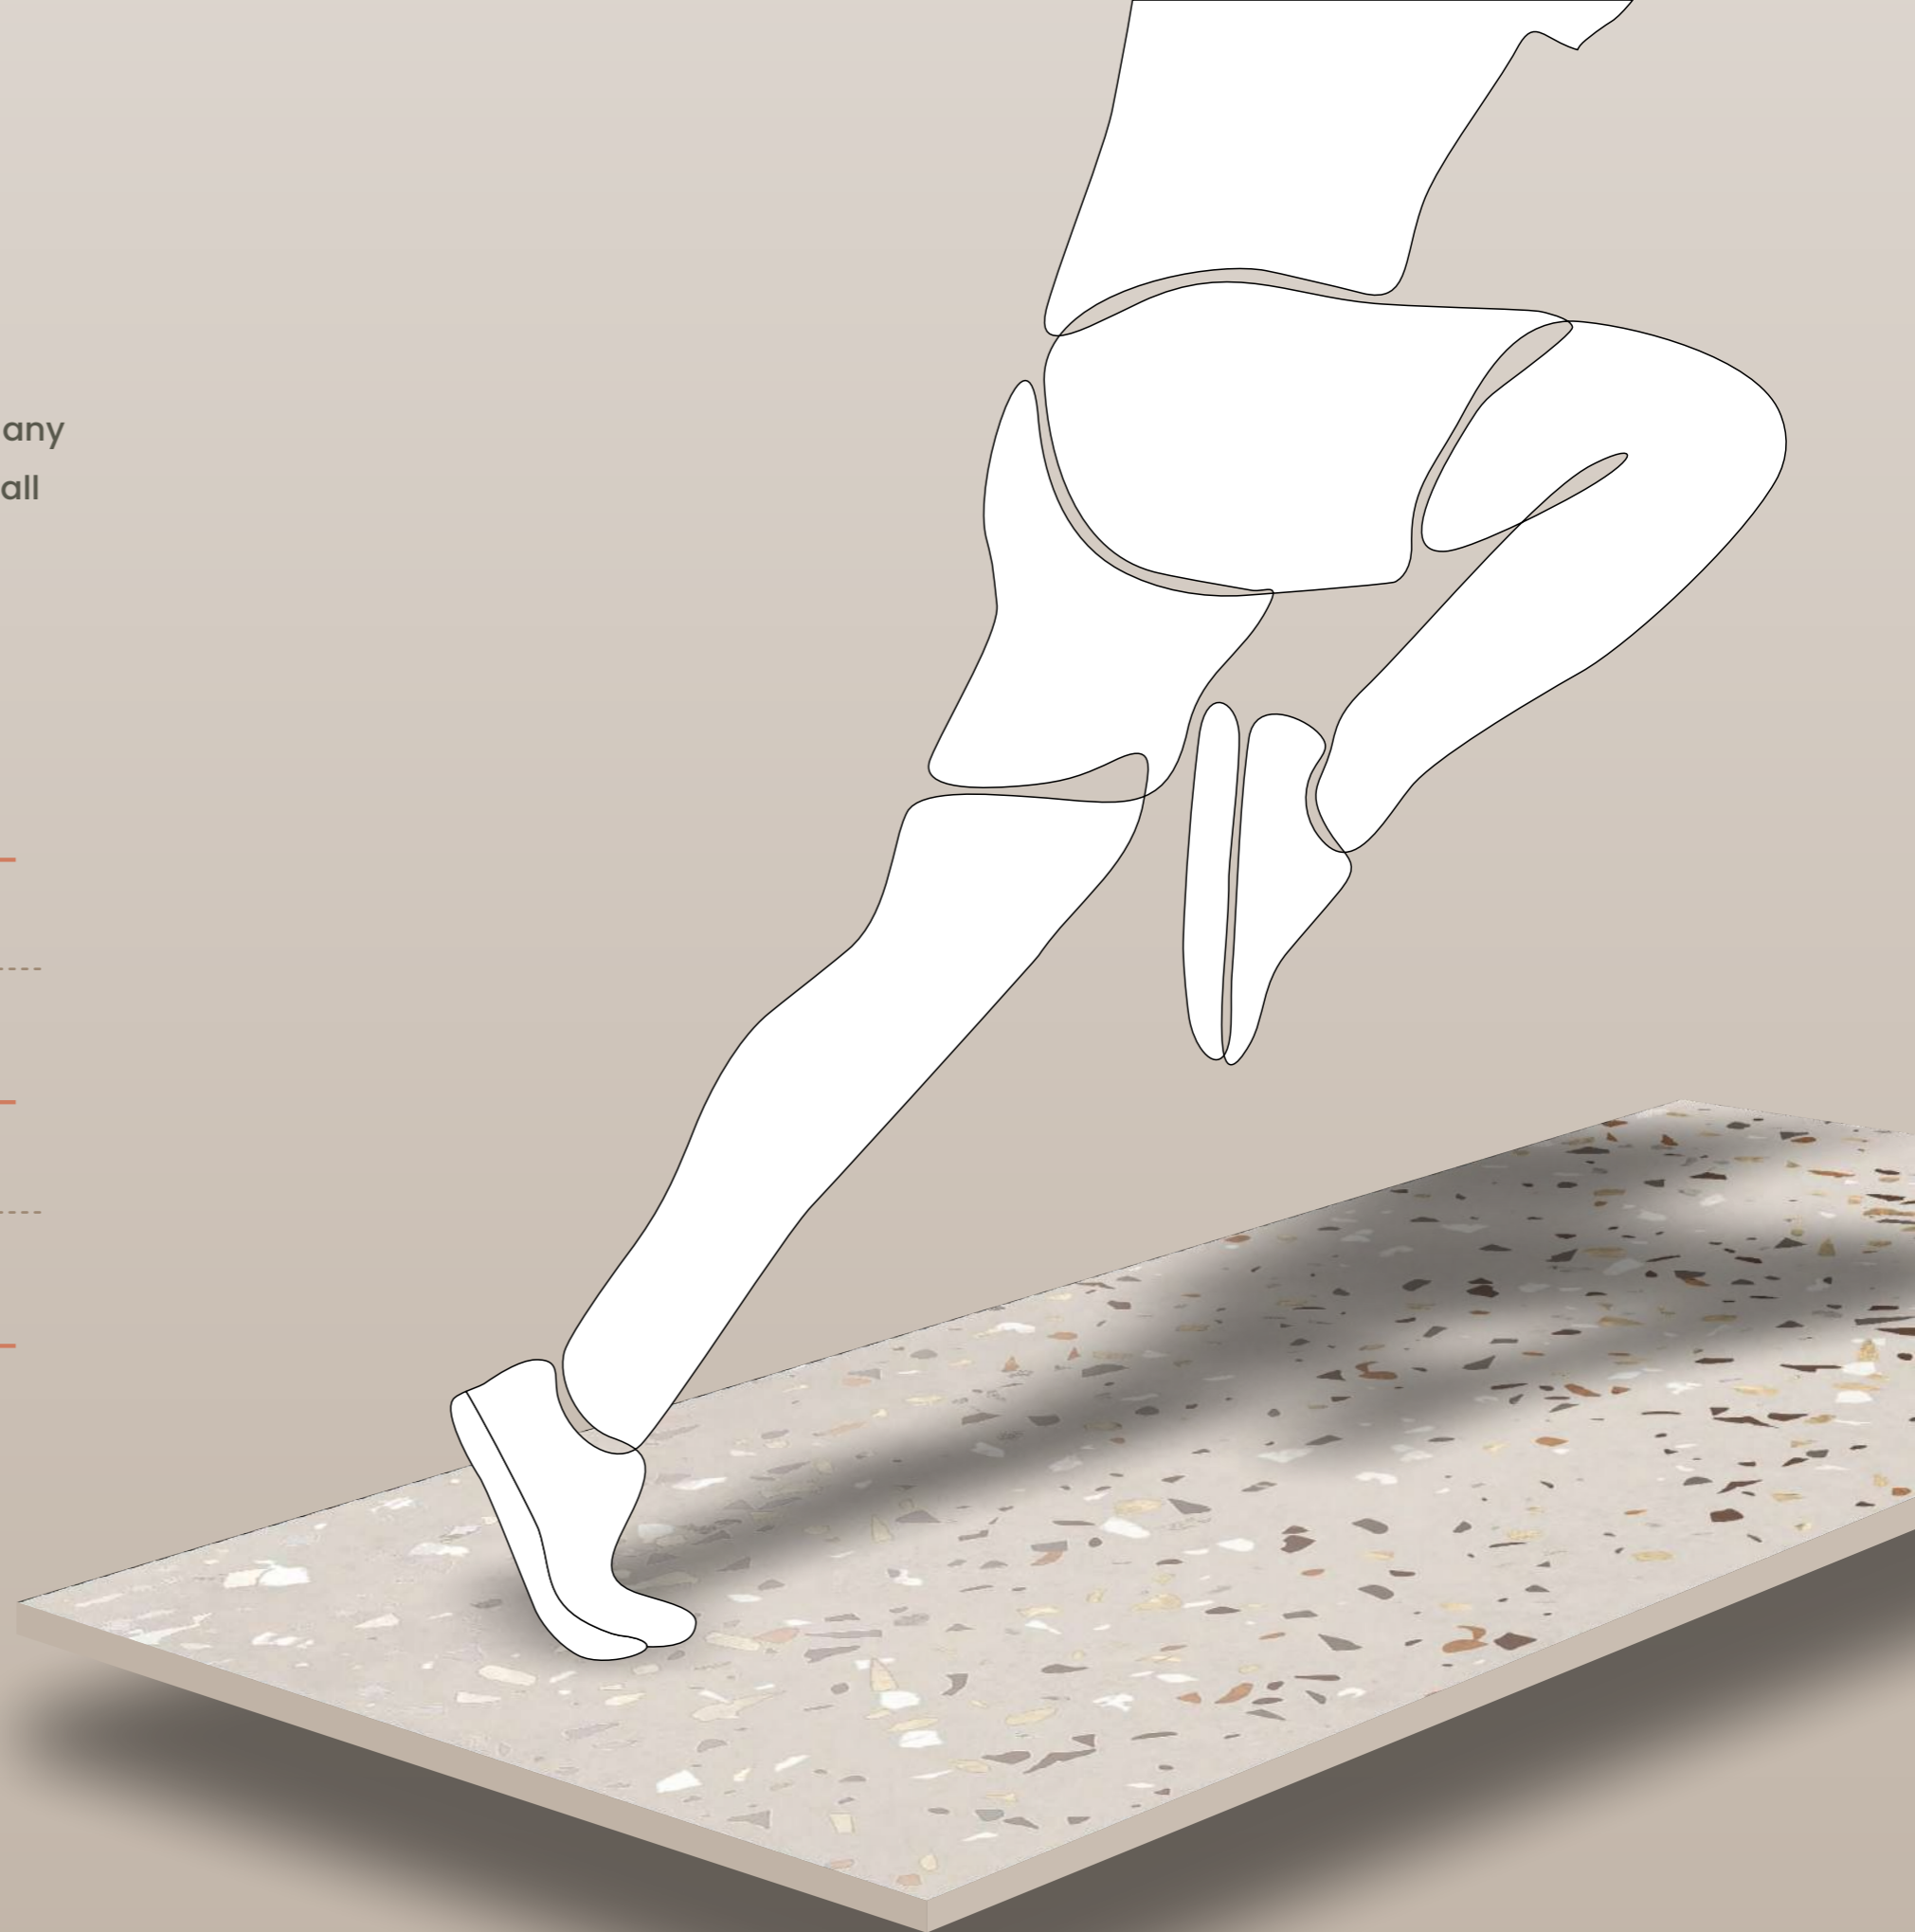

Mall & Super Market

Spa and Wellness Centres

Religious Place

TECHNICAL SPECIFICATION

Tiles explore high standards in design aesthetics and performance with their large size and various features that make them highly durable. These tiles create a comfortable space with high-end functionality that enhances the experience of a place.

AVARIO GREY

The image features three overlapping sheets of textured, light brown paper, possibly handmade or recycled, set against a solid black background. The papers are arranged in a fan-like pattern, with the largest sheet in the center and two smaller ones partially overlapping it. The lighting is dramatic, highlighting the fibrous texture of the paper and creating soft shadows. The overall composition is minimalist and artistic.
