

PEACE OF MIND

*One Parking Tile
at a Time.*

**400x
400mm**

HEAVY DUTY
Parking Tiles

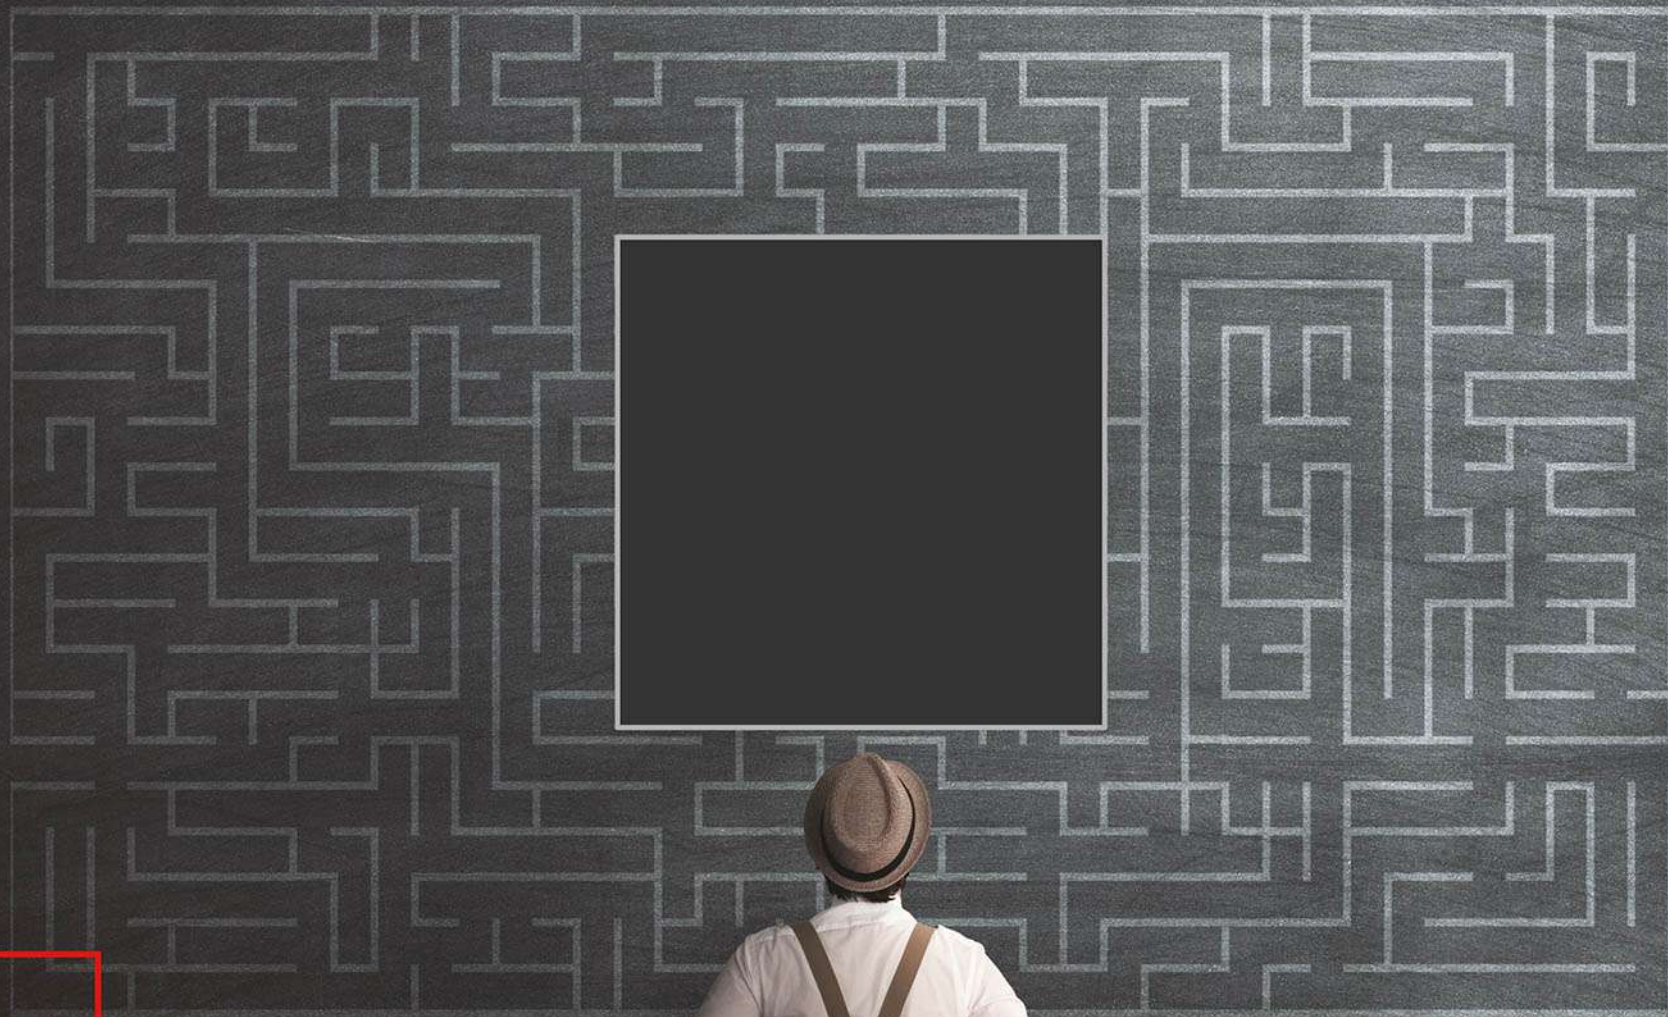

Who we are
and what we do

Strong Principles for a Forward-Looking Organisation.

It all started in the small town of Morbi. One of the first companies to export automated Italian technology to India was us. We had begun with the 40x40cm Ceramic Floor Tiles and worked steadily, passionately, and with strong values to establish ourselves as a reliable partner throughout the world.

*The Perfect
Parking Solution for Any Space.*
