**THE ART OF ADORNING -**  
**LUMINOUS COLLECTION**

## SIZE & THICKNESS

The exceptional collection is furnished in a versatile size of 600x1200mm and 8.5mm thickness, making it adaptable to various architectural and interior design needs.

Also, the collection offers three finishes - Luminous, Matt and Carving to customize your spaces, further serving both the aesthetic and practical needs of your spaces.

## NOTABLE ATTRIBUTES

The beautiful tiles of the collection are equally resilient, too, making them the best of both worlds. The exceptionally beautiful and decorous tiles are highly durable and resistant.

The tiles efficiently resist fire, chemicals, UV rays, heat, scratches, abrasions, microbial growth, and more, offering you spaces safe and newer looking for longer.
